

Estucheria - Airplane Type Linear Case

The diagram illustrates the dimensions of an Airplane Type Linear Case. It shows a main rectangular body with a width labeled 'A', a length labeled 'L', and a height labeled 'H'. A glue tab on the left is labeled 'P', and a top side sealing flange is labeled 'C'. A top side closure tab on the right is labeled 'T'. The dimensions are defined by blue lines for the main body and red lines for the glue tab and closure tabs.

Einheit: mm ▼

A - width: 25,0 - +
