

# GPX Import

Source of extension: <https://inkscape.org/de/~mono/%E2%98%85inkgpx2svg>

## Get some GPX file

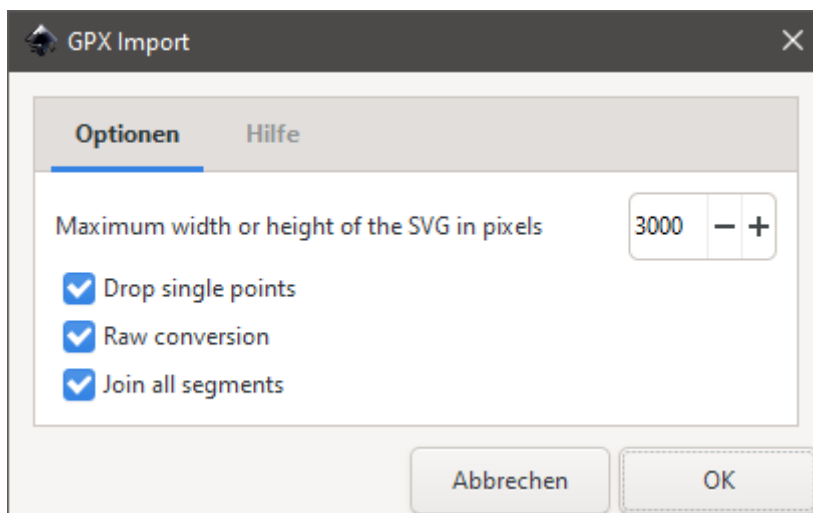

You can get some example files for testing this out at

<https://www.openstreetmap.org/traces>

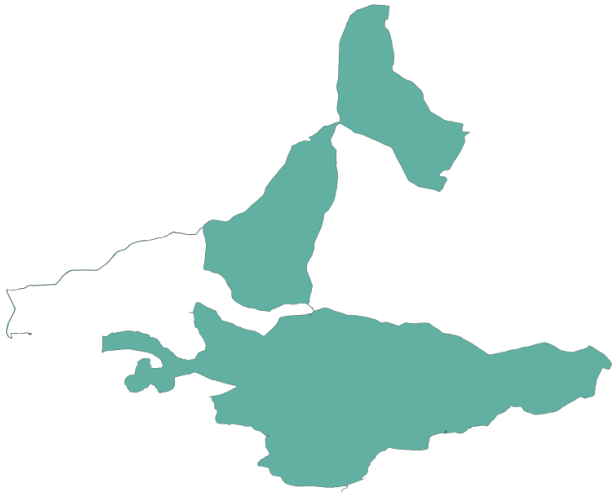

We use <https://www.openstreetmap.org/user/jamesks/traces/3366867> for testing

## Run the extension

## Check the result

---

Version #1
