

Optimized with svgo (*.svg)

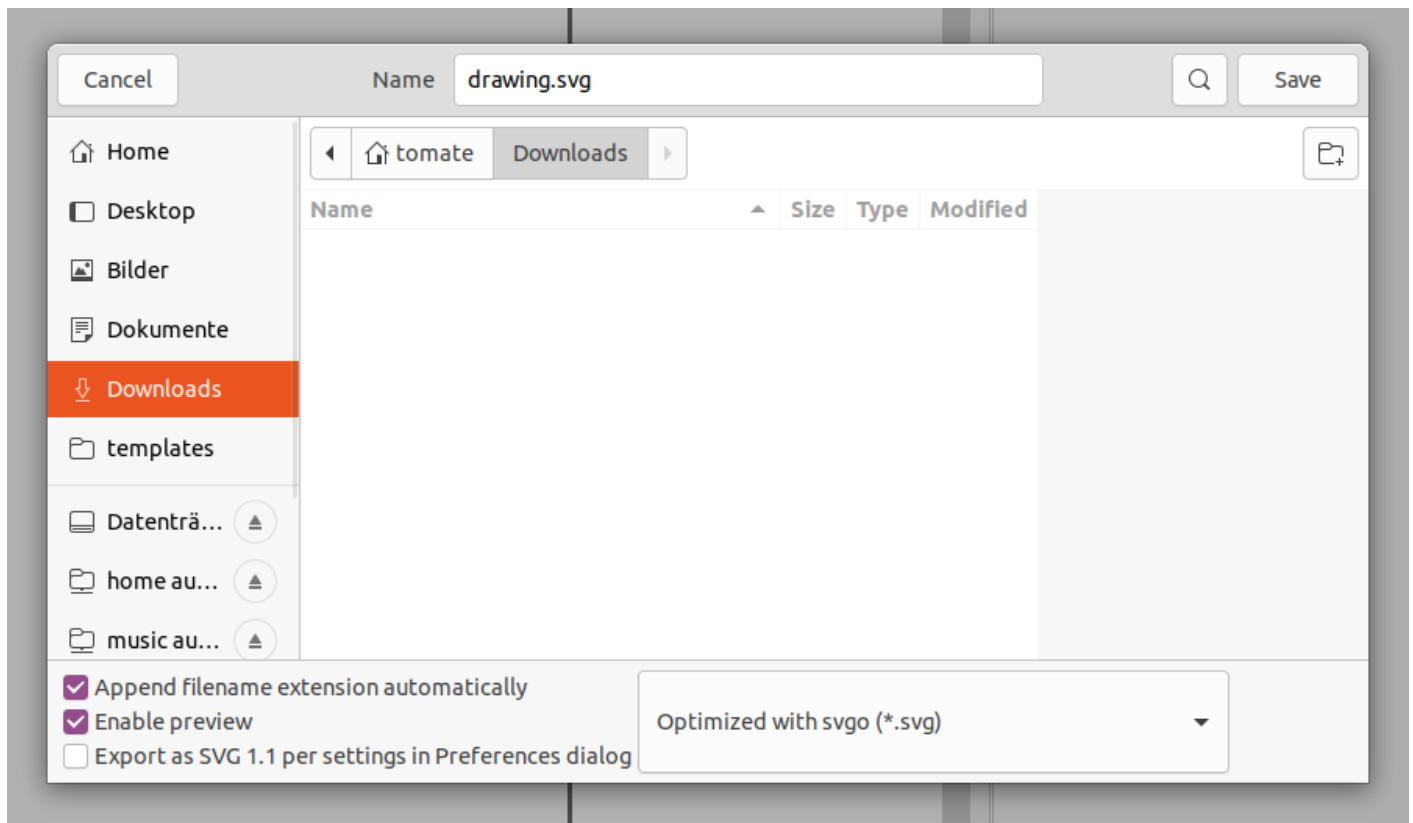

Source: <https://github.com/juanfran/svgo-inkscape>

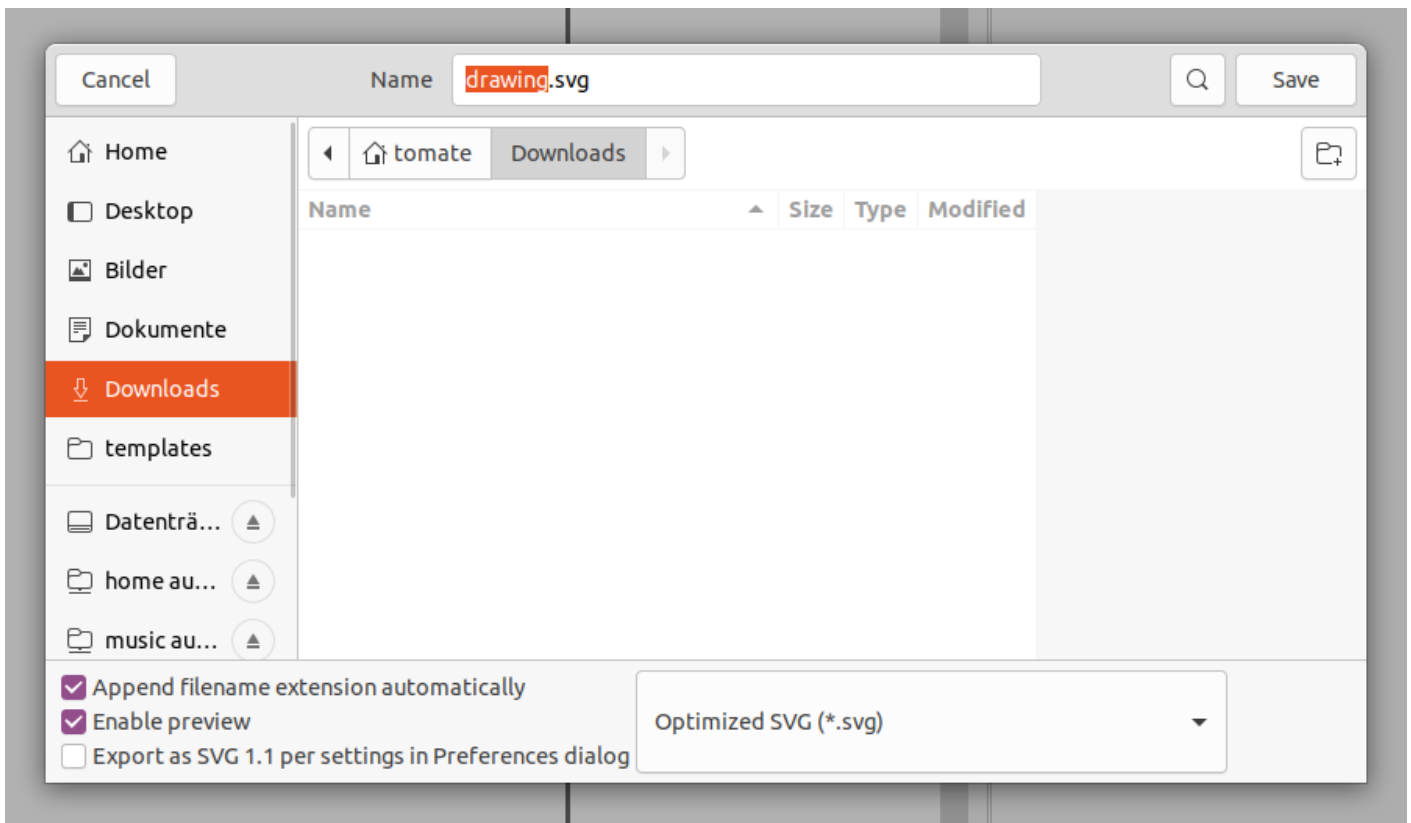

More documentation can be found at <https://github.com/svg/svg>

Use this with "Save As" in "File" dialog

You can also use the integrated default `Save As` module of Inkscape to save an optimized SVG file. Inkscape has integrated support for scour

Note: There's also an extension which does the same

<https://github.com/konsumer/inkscape-svg> (only compatible to Linux)

Version #2
