

Find ugly document titles

This statement looks for titles with unrequired whitespace duplicates

```
/*title which contain doubled whitespaces*/  
SELECT  
    doc_title_c  
FROM t_document  
WHERE  
    LENGTH(RTRIM(LTRIM(doc_title_c))) <> LENGTH(doc_title_c) OR  
    doc_title_c LIKE '% %' AND  
    doc_deletedate_d IS NULL  
;
```
