

Multilingual Support

Teedy is available in different languages. Please help to make some commits to fix your own language. You can use the following tool to validate your modified json files which contain translatable strings: <https://jsonlint.com>

Language file directories from git project:

- `teedy\docs-web\src\main\webapp\src\locale`
- `teedy\docs-core\src\main\resources`

Version #1
